2023 Vantage Medicare Advantage Arkansas Pharmacy Directory

Introduction

This booklet provides a list of Vantage Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Vantage Medicare Advantage's formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Vantage Health Plan of Arkansas, Inc. When it refers to “plan” or “our plan,” it means Vantage Medicare Advantage.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Vantage Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 1, 2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. **We have marked these pharmacies with “(P)” to distinguished them from other pharmacies in our network that offer standard cost sharing.** Vantage Health Plan's pharmacy network includes limited lower-cost, preferred pharmacies in Arkansas. **There are an extremely limited number of preferred cost share pharmacies in Arkansas.** The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 866-704-0109 (TTY 711) or consult the online pharmacy directory at www.VantageHealthPlan.com/rx.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This booklet includes listings of the following types of pharmacies: Retail, Mail Order, Home Infusion, Long-Term Care, and Specialty. Within each pharmacy type, retail pharmacies are grouped alphabetically by the county in which they are located and are then alphabetized by pharmacy name. All other pharmacies are grouped by type and are listed alphabetically by state and then alphabetically by pharmacy name within that state. **Pharmacies that provide an extended days' supply of medications are identified with an asterisk.**

Vantage Health Plan (Vantage) is an HMO with a Medicare contract. Enrollment in Vantage depends on contract renewal.
